

# Martin Currie – the choice for China

We are delighted to announce that from **10 March** UK retail investors will have access to Martin Currie's market-leading China team for the first time. The UK-domiciled Martin Currie China Fund is a natural extension of our experience and expertise in Chinese equities.

**'Some might think that China is just a "Bubble". I think they are wrong! I believe that by investing in China today, investors can harness a hugely powerful shift in the global economy over the next few years.'**

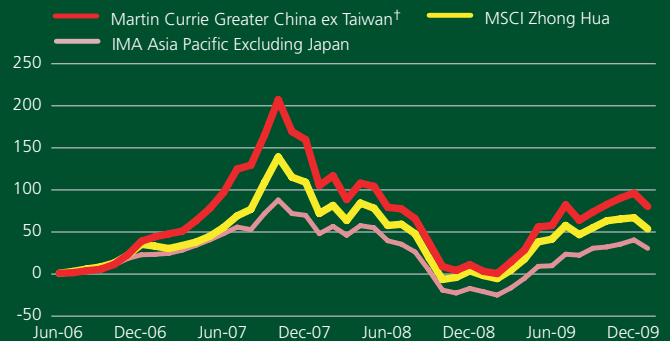

**James Chong**

## Industry-leading team

- ★ James Chong, 15 years' investment experience in the region, will be manager of the fund
- ★ Supported by our world-leading Greater China research team of 12 analysts and portfolio managers
- ★ Based in Shanghai and Edinburgh
- ★ All team members are fluent Mandarin-speakers
- ★ Additional support from Martin Currie's award-winning Asia and global sector research teams

## Proven outperformer

The China carve-out of the Martin Currie GF - Greater China Fund, which is also managed by James Chong, has outperformed the index by 26.9% since manager's tenure.\*

## One of the most experienced international investors in China

- 1994** – Started building our Greater China research team
